### **Campership Process and Timeline:**

- January – February CE and Mission & Evangelism Committee will advertise camperships in church bulletins, the Word, and website. Most camps begin early registration in January – with discounts!
- February – May – Scholarship Application Forms will be available after church services on the rolling board and on the website.
  - Scholarship Forms should be turned in to the church office. Requests will be reviewed by one of pastors and CE Elder for approval and applicants will be notified within 5-10 business days.
  - Applicant should print verification of registration email/form and forward or return to church office. There is usually a line in the camp registration forms on which to list a church sponsor.
  - The CE Elder or Pastor will complete an **office payment request form** and the office manager will submit a check for payment **directly to the camp registration office. (The Church does not provide a check to the individual, except in rare cases where a camp registration has already been paid and the requestor is asking for reimbursement and proof of registration is provided, IF approved by elder and pastor.)**
